*Subject: Dodd Frank Reform Act of 2012, Section 1502*

Dear Sir or Madam:

Please be advised that BTX Technologies Inc., is aware and supports legislation to comply with the Dodd Frank Reform Bill, section 1502(b) usage of "Conflict Materials" (Tin, Tantalum, Tungsten, and Gold) in addition to the Conflict Free Smelter (CFS) program to validate responsible and sustainable sources.

BTX Technologies Inc., is in the process of auditing our supply chain and will report these findings when they become available to us.

Sincerely,

BTX Technologies Inc.
