

AFL

Fiber connectors, fusion splicers, testers & tools

ARLINGTON

Low voltage mounting brackets

ATLONA

Switchers, extenders, distribution amplifiers & adapters

AUDINATE

Audinate's Dante platform distributes professional digital audio signals over computer networks.

AUDIO-TECHNICA

High-performance microphones, headphones, wireless microphone systems, mixers and electronic products

BELDEN

Broadcast connectors/racks, video, audio, data & fiber cable

BOOKIT™

Room scheduling solution

BRADY

Professional labeling systems

BROADATA

Signal processing for video, audio, and data

BTX CAMERAS

Precision HD PTZ and box cameras

BTX MANUFACTURING

Fiber/copper cables, plates and panels and custom NUCs

BTX OPTICAL SOLUTIONS

BTX fiber lab for all your fiber needs

BTX PRO PLATE & PANEL DESIGNER

Wall plate, rack and custom panel design software

CISCO (Switchers)

Networking and data products

CONVERGENT DESIGN

Erika Wireless USB Microphone System

DECIMATOR

Advanced video broadcast solutions

DYMO

Portable label printers

EPOS

Intelligent video conferencing equipment

GEFEN

Switchers, extenders, distribution amplifiers & adapters

GLOBAL CACHÉ

Network connectivity products

HECKLER DESIGNS

Stylish, commercial-grade cam wall mounts, for Huddly Go and Huddly IQ

HELLERMANN TYTON

CAT 5e & 6 connectors/patchcords & panels, cable ties & raceways

HUDDLY

Enhanced and intelligent cameras for an outstanding meeting and collaboration experience

IADEA

Commercial-grade digital signage media players and integrated displays

INOGENI

Converters for video conferencing systems

INTEL

BTX is an Intel Gold Technology Provider. We build custom NUCs.

JUST ADD POWER

HD Over IP

KINGS/WINCHESTER

Broadcast connectors & patchbays

KRAMER

Professional distribution amps, switchers & converters

LEMO

Precision custom connection solutions

LUXUL

Simple-to-deploy professional grade IP networking solutions for use by A/V installation professionals.

MARSHALL LCD

LCD & audio monitors

MAXBLOX® BY BTX

Solderless D-Subs, RCA, 3.5mm and S-Video connectors

MIDDLE ATLANTIC PRODUCTS

Rack equipment & accessories

MOGAMI

Super-flexible audio, video & control cable

MUXLAB

Video over twisted pair products

NETGEAR

Networking & data products

NEUTRIK

Broadcast connectors, patchbays & panels

NEUTRIK OPTICALCON

BTX is a certified custom fiber assembly manufacturer

NEWLINE INTERACTIVE

Interactive displays and intuitive software.

NTI

Test instruments for pro audio

OPTICAL CABLE CORP. (OCC)

Fiber optic cables

OPTIMAL AUDIO

Controllers, amplifiers and loudspeakers.

PANDUIT

Network & A/V cable management solutions

PUNQTM

Plug and play digital intercom system for professional events.

QPC FIBER OPTIC

Fiber optic connectors, assemblies, and custom solutions.

RDL

Audio/video "problem solvers"

SCHILL

Strong, lightweight, rugged reels for storing or deploying cable product

SWITCHCRAFT

Broadcast connectors, patchbays & panels

TECHFLEX

Expandable sleeving

TRIPP-LITE

Power protection, power strips & UPS systems

VADDIO

Enterprise-class PTZ cameras and professional AV solutions

VMP

Display & projector mounts

WEST PENN / CDT

Broadcast audio, video, data & fiber cable

WHIRLWIND

Professional audio products & accessories

WILSON PRO

Cell Phone Signal Boosters

XANTECH

AV distribution and control systems and component products.

ZEEVEE

Distributed video over coax

In addition to the lines shown above, BTX manufactures the highest quality opticalCON and LEMO fiber assemblies, copper cable assemblies, plates and panels in the industry.

5 Skyline Drive, Hawthorne, NY 10532 (Headquarters & Distribution Hub)
2854 S Redwood Road, Unit C1 & C2, West Valley, UT 84119 (Distribution Hub)

800.666.0996 | info@btx.com | www.btx.com
