

2020 LINE CARD

Rev. 10.19.20

AFL

Fiber connectors, fusion splicers, testers & tools

ALLEN AVIONICS

Audio & video hum eliminators

AMPHENOL RF

Coaxial connectors for use in radio frequency, microwave, and data transmission system applications.

APC

Surge suppression and power conditioning

ARLINGTON

Low voltage mounting brackets

ARTEL

Broadcast-quality media transport solutions

ATLONA

Switchers, extenders, distribution amplifiers & adapters

AUDIO-TECHNICA

High-performance microphones, headphones, wireless microphone systems, mixers and electronic products

BELDEN

Broadcast connectors/racks, video, audio, data & fiber cable

BOOKIT™

Room scheduling solution

BRADY

Professional labeling systems

BROADATA

Signal processing for video, audio, and data

BTX MANUFACTURING

Fiber/copper cables, plates and panels and custom NUCs

BTX OPTICAL SOLUTIONS

BTX fiber lab for all your fiber needs

BTX PRO PLATE & PANEL DESIGNER

Wall plate, rack and custom panel design software

C2G (Cables To Go)

Audio/video/pc connectivity

CISCO (Switchers)

Networking and data products

COMMSCOPE / ADC

Broadcast patchbays, patch cables, connectors & fiber solutions

DECIMATOR

Advanced video broadcast solutions

DYMO

Portable label printers

EDAC

Multi-pin audio connectors

ELITE SCREENS

Premium projection screens

GEFEN

Switchers, extenders, distribution amplifiers & adapters

GLOBAL CACHÉ

Network connectivity products

GREENLEE

Crimp tools/strippers & testers

HECKLER DESIGNS

Stylish, commercial-grade cam wall mounts, for Huddly Go and Huddly IQ

HELLERMANN TYTON

CAT 5e & 6 connectors/patchcords & panels, cable ties & raceways

HUDDL Y

Enhanced and intelligent cameras for an outstanding meeting and collaboration experience

IADEA

Commercial-grade digital signage media players and integrated displays

IDEAL

Tools & testers

INOGENI

Converters for video conferencing systems

INTEL

BTX is an Intel Gold Technology Provider. We build custom NUCs.

INTELIX

A/V over CAT5 & distribution

JUST ADD POWER

HD Over IP

KINGS/WINCHESTER

Broadcast connectors & patchbays

KRAMER

Professional distribution amps, switchers & converters

LEMO

Precision custom connection solutions

LINKSYS

Networking & data products

LUXUL

Simple-to-deploy professional grade IP networking solutions for use by A/V installation professionals.

MARSHALL LCD

LCD & audio monitors

MAXBLOX® BY BTX

Solderless D-Subs, RCA, 3.5mm and S-Video connectors

MIDDLE ATLANTIC PRODUCTS

Rack equipment & accessories

MINRRAY

Precision HD PTZ and box cameras

MOGAMI

Super-flexible audio, video & control cable

MUXLAB

Video over twisted pair products

NETGEAR

Networking & data products

NEUTRIK

Broadcast connectors, patchbays & panels

NEUTRIK OPTICALCON

BTX is a certified custom fiber assembly manufacturer

NTI

Test instruments for pro audio

OPTICAL CABLE CORP. (OCC)

Fiber optic cables

PANDUIT

Network & A/V cable management solutions

PROBLOX® by BTX

Audio/video/data connector system

RDL

Audio/video "problem solvers"

SCHILL

Strong, lightweight, rugged reels for storing or deploying cable product

SENKO

Fiber Optic Connectors and Accessories

SPORTS SELECT

Wireless audio

STEM AUDIO

Conference room audio ecosystem

SWITCHCRAFT

Broadcast connectors, patchbays & panels

TAJIMI

Circular video connectors

TECHFLEX

Expandable sleeving

TECHLOGIX NETWORKX

Media over Fiber Optics and In-Room Media

TRIPP-LITE

Power protection, power strips & UPS systems

VADDIO

Enterprise-class PTZ cameras and professional AV solutions

VMP

Display & projector mounts

WEST PENN / CDT

Broadcast audio, video, data & fiber cable

WHIRLWIND

Professional audio products & accessories

WILSON PRO

Cell Phone Signal Boosters

ZEEVEE

Distributed video over coax

ZK TECO

Body temperature and mask detection devices, access control platforms.

In addition to the lines shown above, BTX manufactures the highest quality opticalCON and LEMO fiber assemblies, copper cable assemblies, plates and panels in the industry.

5 Skyline Drive, Hawthorne, NY 10532 (Headquarters & Distribution Hub)
2854 S Redwood Road, Unit C1 & C2, West Valley, UT 84119 (Distribution Hub)
