

ADI PRO

Products, service and support for the AV industry.

AKG

Microphones, headphones, wireless audio systems and accessories

AMX

Automation, Control Systems, Video Distribution, Digital Signage, Streaming Video and Remote Management

ARAKNIS

Reliable networking hardware for home and business.

ARLINGTON

Low voltage mounting brackets

ATLAS-IED

Professional audio and security system products.

ATLONA

Switchers, extenders, distribution amplifiers & adapters

AUDINATE

Audinate's Dante platform distributes professional digital audio signals over computer networks

AVARRO

Engineered for the toughest applications, providing superior quality for residential and commercial installs

BELDEN

Broadcast connectors/racks, video, audio, data & fiber cable

BRADY

Professional labeling systems

BROADATA

Signal processing for video, audio, and data

BSS

High-quality digital signal processing equipment for Pro AV applications

BOSE

Professional audio systems

BTX MANUFACTURING

Fiber/copper cables, plates and panels and custom NUCs

BTX OPTICAL SOLUTIONS

BTX fiber lab for all your fiber needs

BTX PRO PLATE & PANEL DESIGNER

Wall plate, rack and custom panel design software

CROWN

Power amplifiers for Pro AV applications

DBX

Signal processors, equalizers, and compressors for live sound and studio applications

DECIMATOR

Advanced video broadcast solutions

DYMO

Portable label printers

EPISODE

High-performance speakers and audio solutions.

GEFEN

Switchers, extenders, distribution amplifiers & adapters

GLOBAL CACHÉ

Network connectivity products

HECKLER DESIGNS

Stylish, commercial-grade cam wall mounts, for Huddly Go and Huddly IQ

HELLERMANN TYTON

CAT 5e & 6 connectors/patchcords & panels, cable ties & raceways

HUMLY

Smart room booking panels and workspace management solutions.

INOGENI

Converters for video conferencing systems

INTEL

BTX is an Intel Gold Technology Provider
We build custom NUCs

JBL

Pro loudspeakers, studio monitors, and live sound equipment

JUST ADD POWER

HD Over IP

JVC

High-quality PTZ cameras for professional video production.

KINGS/WINCHESTER

Broadcast connectors & patchbays

KRAMER

Professional distribution amps, switchers & converters

LEA

Smart amplifiers and audio solutions featuring advanced cloud-based control.

LEMO

Precision custom connection solutions

LOGITECH

Professional-grade video conferencing systems, presentation devices, and office peripherals

LUXUL

Simple-to-deploy professional grade IP networking solutions for use by A/V installation professionals

MARSHALL LCD

LCD & audio monitors

MAXBLOX® BY BTX

Solderless D-Subs, RCA, 35mm and S-Video connectors

MIDDLE ATLANTIC PRODUCTS

Rack equipment & accessories

MOGAMI

Super-flexible audio, video & control cable

MUXLAB

Video over twisted pair products

NETGEAR

Networking & data products

NEUTRIK

Broadcast connectors, patchbays & panels

NEUTRIK OPTICALCON

BTX is a certified custom fiber assembly manufacturer

NEWLINE INTERACTIVE

Interactive displays and intuitive software

OPTICAL CABLE CORP (OCC)

Fiber optic cables

QPC FIBER OPTIC

Fiber optic connectors, assemblies, and custom solutions

QSC

Power amplifiers, loudspeakers, digital mixers and digital signal processors

Q-SYS

Cloud-Manageable audio, video and control platform

RDL

Audio/video "problem solvers"

SHURE

Industry-leading microphones and wireless systems with legendary sound quality.

SCHILL

Strong, lightweight, rugged reels for storing or deploying cable product

SONY

Professional-grade conference cameras, projectors and displays

SOUNDCRAFT

Mixing consoles, stageboxes and a variety of digital audio solutions

STRONG

Racks and mounts for AV equipment installation.

SUNBRITE

Outdoor displays built for durability and high-brightness viewing.

SURGEX

Advanced power protection and conditioning solutions.

SWITCHCRAFT

Broadcast connectors, patchbays & panels

TECHFLEX

Expandable sleeving

TRIPP-LITE

Power protection, power strips & UPS systems

UBIQUITI

High-performance networking products with intuitive software and seamless scalability.

ULTRA-TECH POWER

High-performing batteries and power supplies designed specifically for critical environments

VADDIO

Enterprise-class PTZ cameras and professional AV solutions

WATTBOX

Intelligent power management with remote monitoring and control.

WEST PENN/CDT

Broadcast audio, video, data & fiber cable

WHIRLWIND

Professional audio products & accessories

WILSON PRO

Cell Phone Signal Boosters

XANTECH

AV distribution and control systems and component products

YAMAHA

Communication products & conferencing solutions

YEALINK

Innovative video conferencing and collaboration solutions for businesses

ZEEVEE

Distributed video over coax

In addition to the lines shown above, BTX manufactures the highest quality **opticalCON** and **LEMO** fiber assemblies, copper cable assemblies, plates and panels in the industry.

In addition to the lines shown above, BTX manufactures the highest quality opticalCON and LEMO fiber assemblies, copper cable assemblies, plates and panels in the industry.
