

CAMERA/TABLET MOUNTS and STANDS

DESCRIPTION - CAMERA/TABLET MOUNTS & STANDS

Heckler Design creates beautifully simple, commercial-grade hardware for design-conscious professional installations. Their signature style and steel hardware used in the camera mounts, tablet surface stands and iPad mounts are built to last. Heckler is making products that will surround and support your technology with quality that will last a lifetime.

Create a collaborative video conferencing space with Cam Wall Mount for Huddly GO and Huddly IQ. Cam Wall Mount allows you to mount these intelligent, compact video conferencing cameras in your huddle and conference rooms.

CREDENZA

AV CART

DESCRIPTION - AV CREDENZA - Heckler has completely redesigned the furniture and equipment storage you need for all your video conferencing gear. Incredibly functional and simply beautiful with top-quality materials and thoughtful details, Heckler AV Credenza will appeal to everyone from executives to interior designers, facilities managers to integrators.

Designed to be seen. Heckler AV Credenza ends the madness of equipment and cables piled around the display by providing an attractive place for all the gear. Not a wire in sight.

Easy installation. Included French cleat and wall-mounting hardware are all you will need for installation. Easy access to preexisting 18" AFF power outlets and network ports from inside of Heckler AV Credenza will make your task even easier.

DESCRIPTION - AV CART

A modular solution for one or two monitors, the Heckler AV cart is beautiful, substantial and practical. Featuring slick lines, nestable design (saves tons of floor space!) and loads of configurable options for all your equipment, this modern cart works for all your display and video conferencing applications.

INCLUDED:

- Heavy Steel Construction
- Scratch and Fingerprint-Resistant Powder Coat Finish
- Height-Adjustable Display Mounting
- (2) Multi Shelves
- Integrated Cable Management
- Casters (2 Braking, 2 Non-Braking)
- Tripp Lite 4-Port Power Strip
- M6/M8 Monitor Mounting Hardware
