

## 4K over IP Fiber not required

The Just Add Power 3G High Fidelity Transmitter supports all lossless audio formats – including Dolby Atmos® – as part of the UltraHD over IP line of products.

Distribute 4K video and lossless audio over a single Cat5e cable to every zone with the 3G High Fidelity Transmitter.

Mix-and-match with the 3G+AVP Transmitter to distribute any audio format to any zone.

**Build a future-proof 4K infrastructure.** Just Add Power UltraHD over IP integrates seamlessly with 1080p infrastructure – keep the switch, cabling, and driver! Add 4K to current 1080p systems, or build a new 4K system.
