

Improve Your Meetings With Better Collaboration

Make your meetings **stand out** with a team up that makes collaboration easier than ever before.

Newline and Logitech have paired up to provide a collaboration bundle that is perfect for Zoom, Microsoft Teams, and more!

The initial bundles come in two different configurations, easily tailored to your needs. Each will include an award-winning Newline interactive touch panel paired with a [Logitech MeetUp Camera](#) and [XL MeetUp Mount](#).

These options allow virtually every room, in every organization, the ability to have interactive videoconferencing at a competitive price point, placing customers on the best path for success.
